The River Mile Project WET Workshop

*Learn how to incorporate
environmental education into
your existing Science, Language
Arts and Social Studies
curriculums and The River Mile!*

August 14, 2013

This program features:

- Receive the Project WET curriculum guides
- Gain valuable insight into Washington State requirements to teach environmental education
- Learn first-hand the value of wildlife, ecosystem, and conservation education in the classroom
- Workshop is geared toward K-8 teachers.
- Project WET is a nationally recognized environmental education program that has reached millions of educators!
